Premium Modular Kitchen System - Fast, Modern, Glossy

Factory-Assembled Real Wood Boxes

About CABINEX

CABINEX is a premium modular kitchen system powered by 1 Day Kitchens. It combines high-gloss modern doors, real counter-wood cabinet boxes, and factory-assembled quality for a fast, clean, one-day installation. CABINEX is designed for homeowners, landlords, and developers who want luxury quality with better pricing than major brands.

Why Choose CABINEX

- One-day installation for most kitchens.
- Factory-assembled real wood boxes for extra strength and durability.
 - High-gloss premium doors with modern short silver handles.
 - Clean European look that works in both small and large spaces.
- Better value and lower overall cost than comparable big-brand kitchens.

Premium Glossy Color Collection

CABINEX offers a focused palette of modern glossy colors:

- Arctic White Gloss – bright, clean and minimal.
 - Stone Grey Gloss – elegant and timeless.
 - Ocean Blue Gloss – inspired by the 1 Day Kitchens brand colors.
 - Midnight Slate – deep charcoal for a dramatic modern look.
- Optional custom colors are available on request.

Construction & Materials

BOXES: Real counterwood construction, 18 mm thick, moisture-resistant, with reinforced edges.

DOORS: High-gloss PVC or acrylic, 18 mm, scratch-resistant and UV-stable.

HARDWARE: European soft-close hinges and full-extension drawer runners.

All boxes are factory-assembled to ensure perfect alignment and long-term durability.

Modular Box Library

CABINEX follows international modular sizes similar to IKEA systems:

BASE CABINETS – widths 40 / 60 / 80 cm, depth 60 cm, height 80 cm.

WALL CABINETS – widths 40 / 60 / 80 cm, height options 40 / 60 / 80 / 100 cm, depth 37 cm.

TALL UNITS – typical sizes 60×200 cm and 60×240 cm.
